Greetings RockSTAR Parents!

RockSTAR Music Education is proud to announce our 1st Annual Nashville Winter RockFest! It doesn't get any more rock 'n' roll than this - 14 of our student bands will be showcasing their musical genius on the legendary stage of B.B. King's Blues Club. RockSTAR is taking over Nashville, Tennessee on February 12th, 2012 from 2pm-4pm while our students rock out in front of a packed crowd!

Over the past seven years, RockSTAR Music Education has continued to gain momentum and is now more successful than ever. Our program in Nashville grew faster than we could have imagined; our starting two bands quickly multiplied into fourteen! With classes in Los Angeles, San Diego, Nashville, and Sacramento, RockSTAR is determined to create and inspire young musicians throughout the country. We are constantly evolving: improving the experience we provide for our student rockers, reaching out to more families, and continuously striving for the excellence that makes us the top after school music education program in California.

How much does this event cost?

Does my child need to bring anything?

No, your child does not need to bring anything to the event. All instruments will be provided. We will not be using anyone's personal instrument to ensure equality and so that all bands are in tune and ready to play.

What should my child wear?

This is a Rock 'n' Roll event. We encourage you to let your child dress like a RockSTAR! Crazy hair, funky clothes, painted faces! Nothing is required, but all will be welcome. Please make sure that any costuming is appropriate for an elementary school event.

Can my child's band make t-shirts/matching costumes/etc?

Yes! Some bands prefer to dress in a theme or make band t-shirts. You can talk to the other parents in your child's band if you do want to coordinate a specific rock look (80's big hair, punk, emo, etc.) or make matching costumes. While this is not a requirement, it may help your children to feel more unified and prepared.
